EXECUTIVE DEPARTMENT
Somerville, Massachusetts

S. LESTER RALPH
Mayor

1 July 1975

William J. Moran

The Honorable, the Board of Aldermen
City of Somerville
Massachusetts

Gentlemen:

I return Board document 12&153 amending Chapter 7 of the Code of Ordinances of the City of Somerville with my veto.

First of all, the City Solicitor has discussed with your Honorable Board many, many months ago the wisdom of consulting with him about proposed ordinances to assure legal propriety,

Mr. Bloom has indicated that the language of this ordinance is unartfully drawn; (furthermore, there are obvious errors both of grammar and of the insertion of an arabic number in parenthesis following a different written numeral.)

Futhermore, assuming there was a sincere interest in seeking monies for a police study, the ordinance appears to have come up with a solution where no study has indicated a problem.

Respectfully yours,
S. Lester Ralph
